CS 250: The Linux Operating System
Assignment 10
The File System

Introduction

During this hands-on project, you will login to a Linux workstation and develop a BASH script experimenting with a few Shell language constructs and commands.

Assignment

Modify the Bash script `clean` (Chapter 5, Section 5.20) to work correctly if there are symbolic links in the directory it is trying to clean.

Submission Instructions

Submit your modified **clean** script file on Blackboard.
